

Information Competency Committee Meeting Minutes
10/04/04

Members present: Carlotta Campbell, David Simon, Jane McKenna, Margaret Traylor, Meryl Siegal, and Barbara Yasue.

Members read over a summary of information (document titled, “Information Competency Committee Review – 10/04”) that was covered during Laney Info. Comp. Comm. meetings last year.

Carlotta asked about the possibility of offering intersession classes.

Barbara asked if a test for challenging the requirement exists. Jane and Margaret discussed a test that was developed by SF City College that Laney could modify.

Jane and Margaret explained the proposed pilot programs that are mentioned in the document entitled, “Information Competency Review – 10/04”. The pilot program proposed is made up of two sections: 1) Info. Comp. course linked to a section of a Psychology course 2) Partial infusion of info. comp. objectives into selected course sections of the committee members.

The Committee discussed and then approved the pilot program to go forward.

The November meeting is postponed until Wed., Dec. 1st from 3:15 – 4pm. This will give committee members time to meet with either Jane or Margaret to discuss ways to infuse info. comp. objectives into one of their courses.
