ART

The Art Historian [computer file]. Version 3.2. CD-ROM 005
Borders and backgrounds [computer file]. Clip-Art. DISK 012

BIOLOGY

Action potential tutorial [computer file]. Intellimation. DISK 005
Biochemistry [computer file]: the chemistry of living things. Cyber Ed. CD-ROM 011
Cell structure and function [computer file]. Cyber Ed. CD-ROM 012
Classification of living things [electronic resource]. Cyber Ed. CD-ROM 021
From DNA to protein [computer file]. Cyber Ed. c.1, c.2 CD-ROM 013
Membrane potential tutorial [computer file]. Intellimation. DISK 003
Think tank [computer file]. Intellimation. DISK 001
Viruses and bacteria: an interactive educational multimedia program
[electronic resource]. Cyber Ed. CD-ROM 022

BUSINESS / ECONOMICS

California income tax forms [computer file]. California. Franchise Tax Board. CD-ROM 007
Labor cost matrix for Windows [computer file]. Retailer's Bakery Association
and the American Institute of Baking. DISK 011
Tax products CD-ROM [computer file]. United States. Internal Revenue Service. CD-ROM 016

CHEMISTRY

Atomic orbitals [computer file]. Films for the Humanities. CD-ROM 017
Biochemistry [computer file]: the chemistry of living things. Cyber Ed. CD-ROM 011
Cell structure and function [computer file]. Cyber Ed. CD-ROM 012
Chemical bonding series [computer file]: visualization of the abstract in
chemistry. Intellimation. CD-ROM 003
Chemical changes [computer file]: everyday reactions. Cambridge Educational CD-ROM 019
The chemical synapse tutorial [computer file]. Intellimation. DISK 004
Chemistry and physics 5.2 [computer file]. Knowledge Factory Inc. CD-ROM 018
SpectraDeck [computer file]: an annotated collection of spectra. Falcon Software. DISK 010
Think tank [computer file]. Intellimation. DISK 001

COMPUTER INFORMATION SYSTEMS

Readability analysis [computer file]. Gameco Industries. DISK 008
SpectraDeck [computer file]: an annotated collection of spectra. Falcon Software. DISK 010

LANEY COLLEGE SOFTWARE LIST BY SUBJECT

CULINARY ARTS

Labor cost matrix for Windows [computer file]. Retailer's Bakery Association and the American Institute of Baking. DISK 011

EDUCATION

Fund for instructional improvement [computer file]: under-represented students special projects. California Community Colleges. CD-ROM 015

LABOR STUDIES

Labor cost matrix for Windows [computer file]. Retailer's Bakery Association and the American Institute of Baking. DISK 011

NATIVE AMERICAN STUDIES

Miwok Indians [computer file]. California Indian Library Collections. CD-ROM 001
Pomo Indians [computer file]. California Indian Library Collections. CD-ROM 002

PHYSICAL EDUCATION / SPORTS

Athletic training action [computer file]: knee injury management, ankle rehabilitation, shoulder injury management. Cramer Products. DISK 007
The muscle tutorial [computer file]. Intellimation. DISK 002
Sports injuries [computer file]: computer-assisted instructional software. Cramer. DISK 006

PHYSICS

Chemistry and Physics 5.2 [computer file]. Knowledge Factory. CD-ROM 018

SCIENCE / ENVIRONMENT

Action potential tutorial [computer file]. Intellimation. DISK 005
Atomic orbitals [computer file]. Films for the Humanities. CD-ROM 017
Biochemistry [computer file]: the chemistry of living things. Cyber Ed. CD-ROM 011
Cell structure and function [computer file]. Cyber Ed. CD-ROM 012
Chemical bonding series [computer file]: visualization of the abstract in chemistry. Intellimation. CD-ROM 003
Chemical changes [computer file]: everyday reactions. Cambridge Educational CD-ROM 019
The chemical synapse tutorial [computer file]. Intellimation. DISK 004
Chemistry and physics 5.2 [computer file]. Knowledge Factory Inc. CD-ROM 018
East Bay Hills fire hazard [computer file]. Aegis Laboratory, UC Berkeley. CD-ROM 006
From DNA to protein [computer file]. Cyber Ed. c.1, c.2 CD-ROM 013
Membrane potential tutorial [computer file]. Intellimation. DISK 003
SpectraDeck [computer file]: an annotated collection of spectra. Falcon Software. DISK 010
Think tank [computer file]. Intellimation. DISK 001
Viruses and bacteria: an interactive educational multimedia program [electronic resource]. Cyber Ed. CD-ROM 022
